

Top 10 Advantages

1

Largest Network

97% of dentists in South Dakota participate in our network, saving members time and money with direct claims processing and no balance billing.

2

Rate Stability

The longer a group is with us, the better rate guarantee. Our average rate increase is less than 2% per year!

3

Personalized Dental Benefits

We believe “one size does not fit all”. We offer a variety of plans and benefit options to meet the needs of any size employer or family.

4

Hassle Free Service

Brokers, members, and groups say with our extensive knowledge and experience, it's easy to do business with us.

5

Direct Claims Submission

In-network dentists submit claims directly to us with an average turnaround time of 6.7 days and 99.9% financial accuracy rate.

6

Flexible Coverage

We have fewer exclusions and limitations. We cover dental implants, pre-existing dental conditions, and orthodontic cases in progress.

7

Local Customer Service

An average wait time under 20 seconds makes it quick and easy to speak with our knowledgeable, local contact center representatives.

8

Everyone Deserves a Healthy Smile

Through our foundation, we give back millions of dollars each year to improve oral health in communities across South Dakota.

9

Dental Benefits for All

Whether a large group or a small business with as few as 2 employees, we have dental benefits to suit any size business or family. 1 in 2 South Dakotans is covered by Delta Dental.

10

The Importance of Prevention

We strive to protect smiles and keep them healthy. We focus on prevention with programs like the Health *through* Oral Wellness® Program and Prevention Pays. Prevention improves health, saves lost work hours, and reduces healthcare costs.
